Dear [REDACTED]

I would wholeheartedly like to support this application. I am the minister of Dundonald Parish and have witnessed first hand the amazing support and education the staff and volunteers give to their community. Space needs to be developed in order for this worthwhile community to grow and flourish.

Dundonald has pockets of deprivation and support to the vulnerable and those that have difficulty accessing services and education needs to be promoted and encouraged.

Many thanks.

[REDACTED]

Rev. [REDACTED]

Minister of Dundonald Parish church.
